About CashFX Group

Our Core Values

Transparency, Honesty, and Respect to our members. We believe these values are the keys to a long-term, successful partnership with our global members.

Our Purpose

To provide the CFX global membership with our premium academy and our proprietary automated trading technology, to assist members as they discover financial success within the forex marketplace.

Our Positioning

Our premium academy includes the most basic forex trading concepts and instruction, while also supporting members that choose to develop trading skills, concepts and mental development. their skills as they progress to advanced and professional strategies in trading skills, concepts and mental development.

About Us

The Cash Forex Group (“CashFX”, “CFX”) was developed by professionals that have always wanted more from life. The group includes professionals and experts in project management, network marketing, financial markets and include a highly trained staff in the educational arena. The CFX team shares a passion to help its members master their own financial independence and success.

Founders

Huascar Lopez

CashFX CEO

Years of dedicated hard work as an entrepreneur, an industry leader in network marketing and a cryptocurrency success story, have helped Huascar achieve a key professional dream, with the launch of the Cash Forex Group. CFX is dedicated in sharing his vision of prosperity, financial freedom and higher financial education for hundreds of thousands of families globally.

Edwin Abad

VP Trading of Operations

With CFX, Edwin continues pursuing his passion for forex trading. Years of study in the forex market and previous years as the owner of a successful engineering firm, have helped him gain the critical skills required to lead the CFX trading and technology teams.

PANAMA

The CashFX corporate offices are in Panama City, Panama. This 10,000 sq. ft facility will allow all key CFX Corporate team members to operate in one location.

The offices have an open-door policy to all CFX global family members, with board rooms for CFX senior staff to personally meet members that travel to Panama.

These board rooms may also be used for members sharing the vision and mission of CFX with guests.

The CFX Academy

The CashFX Academy Program is the key to your CashFX business. Every Trading Contract has a specific section of our trading curriculum included. The Academy curriculum is progressive, meaning that one Trade Contract Academy curriculum leads to the next.

Elemental Series

Introduces you to the world of Forex. Learn the basics and become familiar with important terms and concepts.

Modules 1 & 2

Teaches both the fundamental of Forex trading, as well as the technical and underlying concepts behind it.

Advanced Professional Series

Takes you further into Forex concepts and techniques. Learn advanced skills that will serve as a foundation for success if you choose to open your own trading account and manage it yourself.

Modules 1 to 4

These courses also provide a solid introduction to Japanese candlesticks, common charting and underlying concepts behind them.

Supreme Series

Series introduces you to the most challenging aspects of Forex mastery; the psychology of professional trading. Learn from experienced professionals the necessary behaviors and mindset for success.
